ORGANIZATIONS

1993-94 NATIONAL

New York and Winslow Honor Society students after their brunch.

This year's National Honor Society was made up of over 50 members which makes it one of the largest organizations in WHS!!!

The Seniors had their annual exchange trip with fellow students from Southhold, New York in early November. Many trips and activities were held for everyone to get to know eachother. Winslow students traveled to New York in April where they saw New York city, the Statue of Liberty, and a Broadway play just to name a few of the neat things they experienced.
